INSTITUTIONAL COMPONENTS

These components are defined as those relevant only to entities that are institutionally accredited by ACAOM. These institutional components are not relevant or pertinent to the schools that rely on ACAOM for programmatic accreditation only.

For institutional offerings of continuing education and/or special instructional activities, provision for such activities must include an adequate administrative structure, a sound financial base, and appropriate facilities.

PROGRAMMATIC COMPONENTS

These components are defined as those that are relevant to ACAOM programs, regardless of the institutional accreditation. Programmatic components may be further differentiated as applicable to all program levels (i.e., Masters, Professional Doctorate) or applicable to only one program level.

ALL PROGRAMS:

Continuing education activities or hours must be non-credit bearing and cannot be converted into academic credits for any purpose.
